

Affordable A3 copier—
Your desktop copying workhorse
with networking

HP LaserJet MFP M42625dn

Set the pace with
affordable A3 productivity

Remotely monitor
and share resources

Competitive costs without
the compromise

Raising the bar for smart office printing

Move business forward with this affordable A3 desktop MFP that offers speed, quality, and efficiency. Simplify workflows—send scans where they need to go directly from the MFP for filing and sharing. This MFP offers a great value to support your business for years to come.

Two-sided savings

Save paper and conserve resources with automatic two-sided printing. Consume up to 50% less paper by printing on both sides of the page.

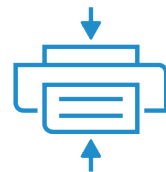

The optional 100-sheet reversing automatic document feeder (ADF)¹ enables automatic two-sided copying² and delivers no-hassle two-sided scanning to efficiently convert stacks of paper to digital content.

Optimise security and solutions

Help ensure the security of confidential information by entering a PIN at the device to retrieve print jobs.

Simplify workflows and increase productivity with automatic paper-handling, scan, and copy solutions.

Small size ready for the modern office

This compact device fits your modern workstyle and sets up quickly to help increase overall printing efficiency.

Reliable and productive—this device is designed for work teams of up to 10 people printing up to 5,000 pages per month.³

Set the pace with affordable A3 productivity

Keep business moving

Put affordable MFP performance to work for your business with A3 printing and copying at up to 25 pages/copies per minute (ppm/cpm).^{4,5}

Don't wait for documents. Receive your first copy in as fast as 7.1 seconds.⁵ Get your first printed page in as fast as 7.7 seconds.⁶

Scan both sides—with ease

Help turn stacks of paper into digital content and streamline workflow. The optional 100-sheet reversing ADF¹ delivers two-sided scanning to help you convert stacks of paper to digital content.

Send scans directly to your PC, right from the MFP. Capture and send scans for simple filing and sharing.

Launch tasks at the device

Select from four quick-launch buttons that enable you to streamline copying, quickly capture a two-sided ID card on one page, enlarge or reduce images, and adjust darkness.

Quickly copy a two-sided identification (ID) card onto one page—directly from the control panel. Capture the front and back on a single side and at the correct orientation.

Remote monitoring and easy resource sharing

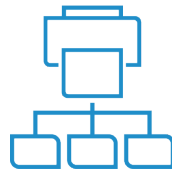

Gain connections for the modern workstyle, and remotely monitor your environment. Quickly share resources with built-in 10/100 Ethernet. Gain fresh insight into your environment with remote discovery and monitoring.⁷

Easy resource sharing

Bring together remote monitoring and shared resources to help optimise your print environment.⁷

Remote discovery and monitoring

Easily integrate devices and gain fresh insight into your printing. HP Web Jetadmin remote discovery and monitoring features make it easy to onboard and monitor this device.⁷

Extend your printing reach

Stay connected with built-in 10/100 Ethernet that lets you share printing resources on a network.

Competitive costs without the compromise

Affordable performance that's built for business

Put affordable MFP performance to work and get exceptional value. An attractive purchase price means less impact on your budget—and a better value.

Low running costs

Get high-quality pages with affordable running costs, using Original HP toner cartridges and long-life drums. Print more pages with fewer interruptions, using the high-yield cartridges.

Full of value—help protect your investment

Original HP toner cartridges are specially designed and precisely engineered for this HP MFP—so you can count on fast, consistent results.

- HP 337XH high-capacity cartridge yield: up to 13,700 pages (ISO)⁸

- ¹ Reversing automatic document feeder requires a separate purchase.
- ² Automatic duplex copying is available on the HP LaserJet MFP M42625dn with the optional ADF; please purchase separately.
- ³ Recommended Monthly Page Volume: HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
- ⁴ Measured using ISO/IEC 24734 and excludes the first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
- ⁵ First copy out and copy speed measured using ISO/IEC 29183, excludes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
- ⁶ Measured using ISO/IEC 17629. Exact speed for first page out varies depending on the system configuration, software application, driver, and document complexity. Learn more at hp.com/go/printerclaims.
- ⁷ Not all HP Web Jetadmin features are supported on this device. HP Web Jetadmin is available for download at no additional charge at hp.com/go/wja.
- ⁸ Declared yield value in accordance with ISO/IEC 19752 in continuous printing. Actual yields vary considerably based on images printed and other factors. Optional high-yield cartridge not included with printer; please purchase separately. Ships with one HP Contract Black LaserJet Introductory Toner cartridge (yield ~4,000 pages) and one HP Original Imaging Drum (yield ~80,000 pages). For more information visit: hp.com/go/learnaboutsupplies.
- ⁹ All LaserJet Pro, Enterprise, Managed, and PageWide products with introductions beginning in September 2019 will include consistent worldwide default duplex settings (across bundles/drivers); product introductions before September 2019 may have inconsistent default duplex settings across drivers.
- ¹⁰ Scan speeds may vary depending on scan resolution, network conditions, computer performance, and application software.
- ¹¹ Measured after 15 minutes in sleep. Exact speed varies depending on the system configuration, software application, driver, document complexity, and time in sleep.
- ¹² Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.
- ¹³ Purchase of optional paper tray required to reach maximum input capacity.
- ¹⁴ The HP Universal Print Driver is available for download at no additional charge at hp.com/go/upd.
- ¹⁵ Maximum dimensions of the device are measured with all paper trays folded out and standard accessories installed.
- ¹⁶ Power requirements are based on the country/region where the scanner is sold. Do not convert operating voltages. This will damage the device and void the product warranty. Power consumption values typically based on measurement of 230V device.
- ¹⁷ Service levels and response times may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit hp.com/go/cpc.
